TREASURED LEAVES
1955

Published By
THE SENIOR CLASS
BONLEE HIGH SCHOOL
Bonlee, North Carolina
VOLUME VIII

The time has come when our Senior Class at Bonlee High School must separate. To help recall and keep in mind the warm memories of these well used years, we have produced the 1955 edition of TREASURED LEAVES.

Dedication

By far the High School years are the shortest years. As we reminisce, the memory of those who taught us to learn, understand, and appreciate the ways of life is very strong.

To our High School Faculty; Mr. W. D. Wilson, Mrs. William DeWeese, Mrs. Ralph Leonard, and Mrs. Ina D. Andrews, in whom we trust and depend, we, the Seniors of 1955, wish to dedicate the TREASURED LEAVES.

Annual Staff

Editor-in-Chief. . . . Jane Markham

Assistant Editor . . . . Allie Carter

Business Manager . Clyde Andrews

Advertising Managers, Manley Councilman, Russell Webster; Typists, Margie White, Eleanor Holt; Photography Editors, Shelby Jean Hardy, Helen Branson; Circulation Managers, Lydia Andrews, Jimmy Wilson; Adviser, Mrs. DeWeese.

School Days

For twelve pleasent years we have toiled and learned
To receive a diploma that we all have earned.

The years have been enjoyable and filled with fun,
Although we have been busy and stayed on the run.

To our teachers, we thank them one and all;
Their unforgettable memories we will always recall.

Our school days at Bonlee are now left behind,
But we have a more brilliant heart and mind.

The time is drawing nigh for each to depart,
But true love will remain in every heart.

Graduation day is here, our school days are through,
The class of fifty-five bids you all adieu.

Lydia Andrews

CLASS COLORS

CLASS FLOWER

Pink Carnation

Alma Mater

'Mid the lovely hills of Bonlee, 'Neath a sky of blue;
Stands our noble Alma Mater, Glorious to view.

From the mountains to Atlantic, Many schools may stand;
But we hold thee most romantic, In old North State Land.

Loyalty to thee we'll render, Though thy walls we leave;
Memories both fond and tender, In our hearts will cleave;

Chorus:

Bonlee, Bonlee, Hail to thee. Onward may'st thou press;
Hail to thee, Oh! Alma Mater, Hail to B. H. S.

Class History

We, the Seniors of '55 realize, as we are thinking about going off to school, getting a job, and going out on our own, that it is about the end of twelve years of happy schooling which have been ours at Bonlee High School.

1952 . . .

After eight long years of grammar school, we, the Seniors of '55, entered high school. As we entered our first year of high school, we were welcomed by our sponsor, Mrs. Edith Broyles. That year we received a big thrill getting used to our new schedule, having more than one teacher, and changing classes. Our small fund raising experience came from working in the cafeteria at the Halloween Carnival.

1953 . . .

Now back from our summer's vacation we entered our Sophomore year sponsored by Mr. W. D. Wilson. At the first of the year we elected our dependable class officers: President, Allie Carter; Vice-President, Tommy Burns; Secretary, Jane Markham; Treasurer, Helen Branson. Again that year our small fund raising came from working in the cafeteria at the Halloween Carnival, and in the spring several of our girls were waitresses at the Junior-Senior Banquet.

1954 . . .

That summer's vacation passed even more quickly than the preceding one, and before we realized it we were Juniors. That year we were sponsored by Mrs. Ina Andrews. Our very faithful Junior Class officers were President, Allie Carter; Vice-President, Tommy Burns; Secretary, Jane Markham; Treasurer, Clyde Andrews. In the early fall we sponsored "The Sauline Players" and had a small fund raising activity at the Halloween Carnival. A great success was our Junior play, a farce comedy, "Grandad Meets a Pal," which was presented in the fall. At the beginning of spring we went along with the Seniors on a trip to Fort Bragg, which was very enjoyable as well as educational. The treat of the year was the Junior-Senior Banquet, which we, along with the Seniors, enjoyed very much. During our last month of school we published our first newspaper. Before we knew it, the Seniors were walking down the isle receiving their diplomas. It did not seem possible that next fall we would be Seniors.

1955 . . .

After our summer's vacation, we the Freshmen of '52 entered the doors of Bonlee High School for our last year of high school life. We were welcomed by Mrs. Dalton Buckner. We elected our faithful class officers: President, Clyde Andrews; Vice-President, Helen Branson; Secretary, Jane Markham; Treasurer, Manley Councilman. In late September Mrs. Buckner left us, and Mrs. William DeWeese came in as our new Senior sponsor. By this time we had already gotten started on our jobs as Seniors -- publishing the newspaper, THE BONLEE GAZETTE, and the annual, TREASURED LEAVES. The first of November we received our long awaited class rings. Our Senior year has proved to be a great success including the Senior play which we presented in the spring and the beautiful Banquet the Juniors gave us. Now, as we are about to walk down the aisle in our caps and gowns to receive our diplomas, we realize that our school days at Bonlee High will soon be no more.

Class Prophecy

I had just spent a wonderful afternoon on the beach at Miami, and as I entered my hotel, who should I see but one of my old classmates of '55, Joyce Tillman. She is now an Air Line Hostess for Eastern Air Lines. She was very surprised to see me, and since she makes round the world flights, I thought she was sure to know about all my classmates.

As she began to rake her mind, I asked her first about Jimmie Wilson. She said he definitely didn't leave his father's poultry business, and now he is a poultry millionaire living with his wife and three boys on the outskirts of Bonlee. She also noted that he was driving a new X-51 latest sports model by Harry Moody. Harry always did love '51 school bus.

I admired her uniform, and she told me it was the latest design by Hardy. Shelby, who was always designing her school clothes, is now a famous designer in New York.

As we were getting deep into conversation, who should come up but one of my smartly dressed bell-hops, Tommie Burns, carrying Lydia Andrews' bags. Lydia, who is now a famous model of the latest styles, spends the winter down with her husband and daughters.

While we were enjoying ourselves with our old school days, the evening paper from Washington, "The National News", edited by Allie Carter and Helen Branson, came, and we were very thrilled to see the headlines stating that Dr. Jane Markham with her assistant nurse, Margie White, had discovered a new miracle drug, which is believed to save millions of lives.

As the evening was beginning to come to an end, we were looking at television with the latest cabinet design by Tracy Hayes, Inc. While looking at the program, who should we see in professional basketball with the Chicago Road Runners but Joyce Phillips and Betty Lou Wilson, who acquired fame for their great team work--"Sure looked cute sitting on the bench, girls." By the way, this show was brought to us by Manley Councilman and Clyde Andrews, Inc., who are now running a car garage--the largest toy car garage in the world.

After we had started to our own quarters, I was delighted to hear that Ann Myers had worked her way from floor clerk in Jones Department Store to manager of the largest store in the world, Macy's of New York.

As she was about to leave, she had almost forgotten Russell Webster, who was piloting the plane she was on. This reminded her that her plane left in ten minutes. She called a taxi, which was driven by Rayford Burke, the best cabbie on the beach, and scurried away as quickly as possible.

So I leave you now with the sweet memories of my graduating class of '55 ten years hence.
